Summary

I am a motivated and dedicated student who has recently completed the 4th semester of a Bachelor's degree in Computer Science at FAST University with a CGPA of 2.78. I have a strong foundation in programming languages such as C++, with hands-on experience through coursework and personal projects. I am proficient in problem-solving and have a keen interest in web development and data analysis. I am seeking internship opportunities to apply my academic knowledge in practical settings and contribute to innovative technology solutions.

Certification

- Data Science with Python
- Introduction to Microsoft Excel
- Organic Marketing

Hobbies and Interest

Avid reader with a passion for exploring diverse genres, enhancing my creativity and critical thinking skills. Enthusiastic cricket player, demonstrating teamwork, strategic thinking, and discipline on and off the field.

Project

- Management System using OOP concepts
